

Tian-Hao Zhang (张天昊)

A PhD student majoring in space plasma physics at Peking University, Beijing, China

Website: <https://tian-haozhang.github.io/>

Email: thzhang@stu.pku.edu.cn

Research in space plasma physics, with a focus on the dynamics in planetary magnetospheres. This includes the study of the interaction between solar wind and planetary magnetospheres, as well as the investigation of plasma processes in these environments.

Papers

- Someone, "Example," *Some Journal*, 1970. DOI: [10.1234/example](https://doi.org/10.1234/example)

Education

- BS in Physics: Peking University (2026).
